Business Park sale could close this week

The Minden Business Park will likely be sold this week. The Times has learned that the Municipality of Anson, Hindon and Minden is close to reaching a deal with a developer for the property at the corner of Prince Street and Highway 35.

Reeve Jeanne Anthon said. until the transaction is completed, which could be some time this week, she could not reveal the name of the purchaser, the price, or what the developer proposes to do with the piece of property. "We have been in negotiations with a large Canadian Development Corporation," Anthon said last week. "They plan to build a 30,000 sq. ft. structure and have plans to expand to 35,000 sq. ft. in the near future."

Anthon said the municipality could finalize the sale of the property at this Thursday's council meeting. The reeve said details of the sale would be available once the agreement is signed.

The Minden Business Park was created on property purchased by the municipality in the fall of 1996. The township installed water and sewer services, hydro and a road access off Prince Street. After a great deal of work, the area was divided into sections in the hope of attracting light industrial or commercial development to the area. However, since then, none of the lots has sold and some residents wondered if the property would ever be developed.

Reeve Anthon said she is pleased that it appears the municipality has a buyer for the property and that the developer is interested in the entire block. "The municipality developed the land to attract business which will provide additional employment for the area," the reeve said. "Council expected that it may take several years to sell the several lots. We are pleased that our goal should be realized this year."

CLEAN-UP CREW: Cub Scouts Billy Harpley, left, and Jack Hutchison collect garbage from the banks of the Gull River. Their efforts, and those of fellow Cub pack members, helped tidy-up litter and debris around town which accumulated over the winter. See story on page 17.

Mail-in voting gets final OK for SLAHM

Voters within the boundaries of Lutterworth, Snowdon, Anson, Hindon and Minden (SLAHM) will be voting with a mail-in ballot for this fall's municipal election. The SLAHM Transition Board passed a resolution giving the green light to the vote-by-mail system at last Thursday's meeting.

The option had been vetoed at the previous Transition Board meeting when Lutterworth council members (with the exception of Mike Wahlroth) voted against the system. The Lutterworth councillors revisited the option at their April council meeting and the majority had a change of heart, agreeing with Wahlroth that the vote-by-mail was a viable option. The only dissenter was Heather Hope.

Landfill sites studied

The Environmental Committee of the Snowdon, Lutterworth, Anson, Hindon and Minden Transition Board presented a report regarding landfill sites in the three municipalities. The committee is confident that substantial savings can be realized in landfill management through the amalgamation of the municipalities.

"All systems and contracts are to be reviewed with the goal of working under one system, which is economically sound and offers the best and safest service," the report concludes.

Cost of operation of all the six landfill sites (each municipality has two sites) was outlined.

The total cost to operate the six sites in 1999 was $253,000, which includes wages of attendants, environmental monitoring, maintenance, engineering (including, capacity studies, which are not needed every year) and recycling. Income, such as tipping fees which were paid to municipalities, reduced the actual cost to $189,700.

The report notes the estimated lifespan of each site.

It was noted that "all landfill sites are fragile and could be closed down instantly (by the Ministry of Environment) if severe pollution is suspected."

Budget could help education, health and tourism in the Highlands

While a number of new programs were announced, in last week's provincial budget, which could affect local health and education, administrators are waiting for more details before spending the money.

Included in Finance Minister Ernie Eves' 2000 Ontario Budget are new investments that may affect Haliburton County in the areas of school transportation, promotion of Ontario tourism, and the relocation and practice of graduating medical students in rural and northern areas. One of the proposals would provide $23 million more in 2000-01 for school transportation, focusing on rural and Northern Ontario.

"What we don't know, (about financial education assistance in general) until we get the details, is how this rolls out in each of the boards," says Trillium Lakelands Director of Education, Evelyn Brown. "It is based on student enrollment. So to have a real sense about what the impact on us is going to be, we will have to receive Ministry direction about that." Although there are no specifics, as of yet, on how the budget will affect the board, Brown anticipates that some dollars will flow this way from the Special Education Increase Funding.

Regarding school transportation, Brown said that it will probably be a week before she receives information about what this will mean for the local boards. "We have written many letters and have lobbied to the best of our ability regarding this issue," says Brown.

Eves' budget proposes to allot $4 million to pay for medical students' tuition. The offer is being made available to students who are willing to relocate and practice in rural and northern areas following graduation. This kind of news is being welcomed by the Haliburton Highlands Health Services Board which would like to recruit doctors for the area.

"I think this is a step in the right direction," says HHHS Executive Director Foster Loucks. "As I understand it, this will have to be tied to the other announcement creating additional spaces in the medical schools for a certain number of students." The question remains: how many spaces will be made for such students? "My point is that there are a lot of underserviced areas looking for doctors in this province," says Loucks. "These doctors are going to be a sought-after commodity." Loucks feels that while this announcement will not fulfill any immediate health service needs this area has, such as the proposal for a new primary care center, overall it is a "positive, first step."

One other highlight of the 2000 Ontario Budget which may affect the area is spending on tourism. Over the next four years, the provincial government plans to promote Ontario tourism with a $50 million investment.

Tapping into the gift of life

The sap wasn't the only thing running this spring. On Tuesday, May 2, the Haliburton Legion Hall was the scene of the spring blood donor clinic hosted by the Canadian Blood Services. The event which received a great turn-out, was the first in a series of four donor clinics being held this year at the Haliburton Legion.

"In the past, it has been hard to get as many people as we would like to participate because of the winter weather," said Peterborough Clinic Recruitment Co-ordinator Sue Harris. The theme this year was "Planting Seeds", as in the seeds of hope that blood donation brings to those who depend on the service. This will be the fifth year that the Canadian Blood Services has held clinics in Haliburton.

Organizers hope to take in 140 units of blood at each clinic, and depend upon local and Legion volunteers to help with this effort."We also have a list of donors who we phone, radio and television ads, newspaper ads and posters put up around the community," says Harris. "Statistics show that if we reach people by the age of 17, they will come out to give blood all of their lives."

At Tuesday's clinic, they gave out first time donor kits to all participants, after collecting the standard one unit of blood per person.

One donor, Whitby resident Martyn Mavor, who last gave blood at Sunnybrook Hospital three months ago, received a blood donor notification in the mail at his Whitby home. It turned out that Mavor was going to be in Haliburton on the exact day of the clinic anyway. He hadn't been here for four years. "I suppose someone really wanted my blood," he chuckled.

The Canadian Blood Clinic has four mobile clinics, running in more populated areas, which collect an astounding 650 units of blood every day. "Technology has advanced so much, it is hard to keep up with," says Harris. "This is why we need to collect so much blood. When you are healthy it's great to give."

Most people are aware of the pressing need for blood, but many aren't aware of how quickly the supply can be consumed. For example, the following statistics were provided by the Blood Services Agency: gunshot wounds require as much as 15 units of blood; heart bypass surgery requires 1-6 units; and brain aneurysms need 4 units. With statistics like these, Harris notes, "It shows why we require collecting so much."

The next Canadian Blood Services Blood Donor Clinic in Haliburton will be held on July 18, then on September 25 and November 20.

Bloody good job!

Whitby resident and blood donor Martyn Mavor coincidentally received a form about the clinic at his home in Whitby the day before the event. Mavor had planned to come up to Haliburton that day anyway. "I suppose someone really wanted my blood," he said. Held at the Haliburton Legion, the Canadian Blood Services clinic drew 103 units of life-giving essence from donors. The clinic was the first of four planned for Haliburton within the next year. Blood donations have been collected in Haliburton for the past 25 years.

Mould and elevated levels of carbon dioxide found in OPP/MNR building

A study carried out for the Ontario Realty Corporation (ORC) has strongly recommended that efforts be undertaken to improved circulation of fresh air in the building housing the Haliburton Highlands Detachment of the Ontario Provincial Police, the Ministry of Natural Resources and the Ontario Government Information Kiosk.

The report was commissioned by the ORC after a number of complaints from staff working in the building. After the tests were carried out, the staff was removed from the building. The employees are working out of temporary quarters behind the Highway 35 complex. A mobile OPP command post has been parked behind the building to provide working space for the detachment administration.

The report found the presence of mould spores, specifically those identified as coming from Stachybotris Chartarum-atra: "This fungus is generally recognized as the major causative agent of 'Sick Building Syndrome'," the report stated. It noted that control tests found that air sampled outside the building contained no evidence of the fungus and "...the source of the Stachybotris is likely indoors."

"Further action should be taken and include physical search for the fungal amplifier followed by remediation." the report noted. "Some medical officials, environmental engineers and building scientists have linked prolonged exposure to Stachybotris to migraines, nosebleeds, asthma, fatigue, rashes, diarrhoea and irritability."

The report also found elevated levels of carbon dioxide in the air of the building during tests taken March 30 and April 12. The tests showed readings of from 500 to 1600 parts per million (ppm) of carbon dioxide in the two days of testing in the OPP part of the building and 550 to 780 ppm in the MNR portion of the building. (Only a single test was carried out in the MNR portion of the structure.)

According to the report, the following parameters have been accepted in assessing the level of carbon dioxide in a building: 300-600 ppm excellent; 600-800 ppm comfortable, with occasional complaints; 800-1000 ppm many complaints, recommend increase in fresh air supply; and over 1000 ppm, needs immediate attention for increase in fresh air supply.

"The results of the air quality parameter measurements clearly indicate that the breathing air is stale and there is no air movement," the report prepared by Ramesh Makhija for the ORC states. "Carbon dioxide levels are exceptionally high in the evening and there is an urgent need for fresh air supply."

The building was formerly occupied entirely by the Ministry of Natural Resources. Following a major down-sizing of the staff at the office, a portion of the office was renovated to accommodate the Haliburton Highlands Detachment of the Ontario Provincial Police. The building remains closed to the staff and the public while efforts are being made to improve the air quality and isolate the location of the fungal source.

Minden pastry chef creams the competition

The butcher, the baker, well, just the baker.

Minden's very own pastry chef, Marian Markowski, owner of Rachel's Home Bakery, has done it again. Markowski received the First Place Award Gold Medal in the Bread and Rolls category at the 2000 Baked Goods Competition for Professional Bakers and Pastry Chefs on Saturday, April 29.

Markowski won a bronze medal in the Showpiece category as well. The gold medal, first place award included a prize of $500 which was awarded to Markowski by the Baking Association of Canada. "It is the biggest bakers' show in Canada," said Markowski. "There are many different categories."

The competition took place from April 30 to May 2 in The Courtyard at the Toronto Congress Centre. Other categories included: petit fours; individual plated desserts; chocolates; gateaux or tortes; sugar showpiece; marzipan; and wedding cake. Markowski's bronze medal entry in the showpiece category had certain requirements that had to be met.

It had to be a centrepiece or showpiece that did not fall into any of the other categories, using combined materials such as chocolate and gumpaste. The entry had to have artificial support. Sprays and lacquers were allowed, giving consideration to the level of complexity of their use, with points being lost if the same outcome could be produced without supports and lacquers with relative ease. Bonus points were awarded on a piece where supports and lacquers were not used that presented a unique or difficult challenge.

The gold medal, first place award Markowski received in the bread and rolls category faced certain requirements as well: each of two loaves of bread had to be braided from 3 or 4 strands of white flour dough, which is also known as egg or Challah bread style. The final baked weight had to be 450g each. Both loaves had to be of uniform shape and style. Two of the loaves had to be made with multi-grain flour with a final baked weight of 680g each. They had to be baked hearth style, without loaf pans or tins. Both loaves had to be of uniform shape and style. Two dozen assorted rolls could not exceed 50g baked weight for each roll. All rolls and buns had to be of uniform shape and style respectively.

Markowski, who has owned Rachel's Bakery in Minden for two years and the Haliburton shop for six, has now qualified to enter the North American Baking Competition in Minneapolis, because of his gold medal. Two years ago, Marian won a first-place award for his bread at the Bakery Showcase. "The North American Baking competition will take place between September 16-17," says Markowski. "It's in Minnesota. You have to win a gold in your own country, and then you are allowed to enter."

If all this weren't enough to keep Marian busy, he is currently studying to be a master baker. When he completes his course, which includes a test he will have to take in Minnesota, he will be the only Master Baker in Canada. Marian is proud of the work that has helped him receive such recognition, "It seems like I keep going up," he says.

Rachel's Bakery owner, Marian Markowski, proudly displays an assortment of his Bread and Rolls. His entry in this category won the first place prize gold award at this year's Baked Goods Competition held in Toronto.

Editorial

What's in a name?

There is one thing most people value, a name. We all have one, and appreciate when others use it with care and consideration. Most people work hard to protect it. An entire section of our legal system is devoted to ensuring that others cannot easily destroy our names.

So, as the writer below points out, when someone is careless with a name, or treats it in an off-handed, cavalier manner, the people affected will respond quickly and vociferously. Such definitely appears to be the case in Victoria County.

As part of the restructuring process, the Commissioner, Harry Kitchen, was instructed to select a name for the new municipal entity. As he reported in his final decision, he steered away from the use of the name Victoria out of concern for confusion with Victoria, British Columbia. However in dismissing any association with the present name of the county, he further alienated a goodly portion of the population.

Those who believed this was just a tempest in a teapot have been surprised by the reaction from all quarters. Not only are many people in Victoria County upset with the new name "City of Kawartha Lakes", their neighbours to the east, in Peterborough County, who share the name Kawartha, feel the name they have been cultivating over the years for tourism purposes, has been poached.

We are the first to admit that hind sight is 20/20, (editors speak from that podium all the time), but we think the Commissioner should have been instructed to hold a referendum for the naming of the new municipality. The public could have been invited to offer submissions, with a short-list of five or six going on the November ballot. By following this route, the community could be involved in the process, something that many are saying has been sadly lacking up to this point, and it would give the average citizen a sense of ownership in the new municipality.

It also would assure that at least some people would be happy with the new name, whatever it turns out to be.

jb

Letters

Fabric of the community torn apart

Editor:

I address this letter to dear friends and neighbours in the County of Victoria

Let me start this letter by confessing that I am indeed prejudiced about this beautiful County of Victoria in which I have chosen to live. I have spent the better part of my life in Victoria County and have a great love and affection for it. The feeling I had in the pit of my stomach when Professor Kitchen presented his report on April 19 was like hearing that a very dear friend had died.

He tore apart the very fabric of our lives, discarding without a second thought, the things that we hold dear. He left us in total disarray, deserted by our elected representatives: and this was still not enough for Mr. Kitchen. He then literally wiped us off the map. Instead of leaving us a name that we could all identify with, one that might serve to unite us, he inflicted us with one that is comical in its unsuitability.

What were this man's motives in ignoring the obvious choice for a name - one which contains the name Victoria? One which had, to use his own words, "history, identity and emotional attachment", for the residents of this community, for another one which contains none of the above? Indeed, for Kitchen to call this area a city is confusing as it has none of the attributes one associates with a city. The name he has chosen concentrates on one aspect of our county and completely ignores all the rest.

On page 63 of his report, Kitchen states that, "*where the uniqueness, charm and historical importance constitutes an entire municipality, the commission feels compelled recommend that legislation be passed to retain it.*" Our uniqueness lies in our magnificent lakes and rolling countryside, attributes that are fast disappearing in Ontario. Our historical importance manifests itself everywhere the eye can see. Victoria Park, Victoria St., Victoria Park Armouries, County of Victoria Historical Society, Victoria County Museum, Victoria Rd., to only name a few. There has been a Victoria County for 139 years.

Then, we come to charm. Perhaps this is where the citizens of Victoria County fell short. Perhaps we weren't charming enough, and this has led us to our downfall. We promise to correct this and try to become more charming in the future. (As if he gives a hoot about us).

Harry Kitchen appears quite fond of stating that he hasn't heard any concerns about the name he is trying to saddle us with. He obviously is not asking the 'ordinary folk' for their opinions. On page 85, and on about every page thereafter he refers to the new order as the "new municipality". Why not then, call it, "The Municipality of Victoria", or "The Region of Victoria", or if it must be a city, "The City of Victoria"? Any of which, express the nature of where we live better then the City of Kawartha Lakes.

I believe Tony Clement, the Minister of Municipal Affairs, has the power to change this. I am writing to him personally and asking him to intercede in this matter, and I urge all who agree with me to do the same. Perhaps if enough voices are raised on this matter we will not be ignored. You can reach Mr. Clement by phone at (416) 585-7000, by fax at (416) 585-6470 or by email at *clement@titan.tcn.net.* Let the members of the Transition Team, some of whom were elected by you, know how you feel. But please, do it now. Time is of the essence.

A. Holden,
Bexley Township.

Opinion

Looking for support for Stockwell Day

Jane Cooper, a member of the local executive of the Canadian Alliance Party, offers her opinion on the candidacy of Stockwell Day for the leadership of the new party.

It's been an exciting year for Canadian politics with the formation of a new political entity called the Canadian Alliance made up mainly of Federal Reform party members and Provincial Conservatives from Alberta and Ontario. Preston Manning has taken the gamble of his political life by throwing open the leadership role to hopefuls such as Stockwell Day and Tom Long.

With the excitement of a leadership contest under way, the memberships have grown by leaps and bounds. Each member will be able to participate in the selection of the new leader, to be held on June 24.

The vote will be based on a unique grassroots straight majority of votes. Now is the time to join the party and have your say. Deadline for new membership is June 16, 2000.

Stockwell Day, Alberta's Treasurer, is considered to be the man who can bring both the Provincial Tories and Preston Manning supporters together under the new banner. He brings fresh enthusiasm and political experience to the Alliance. Mr. Day has lived in every region of Canada, has strong background in business, community service and government. He was born in Barrie, Ont. and grew up in Montreal, where he learned to speak French. He attended high school in Ottawa, lived and worked in the Maritimes, the Northwest Territories, and British Columbia. Stockwell, having worked, as a contractor, knows what it takes to meet a payroll, create wealth and keep commitments in the real world. Not only are his goals clear and concise but he knows how to make them happen.

I attended a lunch with Stockwell a few days ago and heard him tell the audience that he plans to restore the funding to health care systems, scrap bill C-68 and implement a 17% flat Federal Tax system similar to the one being implemented in Alberta. He also believes in family values and will put in place a sex offender registry to help protect our communities.

If you don't know who Stockwell is visit his web site at *www.stockwell.com.* You can also meet the candidate at a dinner on Friday May 19 7:00 p.m. at the Ramada Inn in Lindsay.

You will have the opportunity to meet and talk to whom I feel will be the next leader of the CA and possibly our next Prime Minister, Mr. Stockwell Day. For ticket information call 705-286-3634.

April weather

by Phil Graham

	C	F
Average high	10.6	51.0
Average low	-1.7	29.0
Average for the month	4.4	40.0
Average for last April	6.1	43.0
Highest temperature, April 15	21.0	69.8
Lowest temperature, April 12	-10.0	14.0
Rain	56.8mm	2.2 in
Snow	12.0cm	4.7 in
Total precipitation	68.8mm	2.7 in
Total precip. for last April	35.8mm	1.4 in
Snowfall Nov. 1 to April 30	173cm	68 in
Days mostly sunny	11	
Days with snow or rain	8	
Days with thunderstorms	0	

April had variable weather conditions. The first 20 days were cloudy and cool with rain and snow. The last ten days were very pleasant with lots of sunny days and average temperatures. The average temperature was 1.7 degrees Celsius, which was warmer then last April. The average high temperature was cooler than last April. The average low was about the same each month at 1.6 degrees Celsius. The rain on April 20 and 21 made everyone happy. It was needed.

Trivia: Tornado season is once again here. Keep an eye on the sky and watch for severe thunderstorms. Also listen or watch for warnings on radio and TV.

Arthur Black

Rich man...poor man

This is a story about two men.

One of them is royalty — Prince Jefri of Brunei.

The other man is a commoner - a salesman: Joe Segal, of Vancouver. Prince Jefri first.

His country, Brunei, is a tiny kidney bean of a nation about the size of Prince Edward Island. It sits like an afterthought on the brow of Borneo and would be a totally forgettable backwater sultanate but for the fact that it is filthy, stinking rich with crude oil. Prince Jefri, a royal son of Brunei is, to put it mildly, a conspicuous consumer. He owns two thousand automobiles - personally. He holds the keys to 17 different aircraft. He has a huge yacht, tastefully named Tits, which carries two high-powered Zodiac tenders: Nipple One and Nipple Two. Mind you, he doesn't spend all of his time on Tits.

Sometimes he lives in his palace. The one with 1,778 rooms. Prince Jefri has other expensive tastes. He sponsors the Ferrari Formula One team on the International racing circuit. He's fond of calling up Miss USA's, Miss World's and other planetary sirens of pulchritude and offering them $30,000 US a week to come and 'entertain' him and the boys at the palace. The prince is a young man. He has four wives, three children, his own private polo team and more mistresses than Casanova ever dreamed of.

But times are hard.

Recently he petitioned his brother, the Sultan of Brunei, for $500,000 U.S. to cover ordinary living expenses." That's 500 grand a month, you understand.

That's Prince Jefri - then there's Joe Segal. Like Prince Jefri, Joe is a rich man - but that's where the similarities end.

For starters, Joe earned his dough. Joe was born not with a silver spoon in his mouth — more like a pick and shovel in his hands. He started out slinging gravel for the Alaska Highway project back in the '40's. Soon he moved into sales.

Before he was finished (and he's not finished yet) Joe created Fields Department Stores. And merged it with Zeller's. Which he sold to Hudson's Bay Company. He was also the man behind Sterling Shoes; First National Properties and one or two dozen other flourishing concerns.

Add it all up and Joe Segal of Vancouver, like Prince Jefri of Brunei, is a very rich man. He also spends lavishly - but not on hookers or Lear jets or yachts. Joe Segal spends his money on people.

He has earned that most old-fashioned of descriptions: philanthropist. He has ploughed his dough into universities and colleges in Canada and Israel.

Also childrens' hospitals, homes for the aged, the Italo-Canadian Society, the Vancouver Police Foundation, Crime Stoppers International, the Canadian National Institute for the Blind. Has he been recognized and honoured for his generosity?

Oh, sure. Joe's got an Order of British Columbia and an Order of Canada and a drawer full of medals and certificates and plaques - but he's faintly embarrassed when somebody brings it up because he doesn't do it for the glory.

Joe Segal shares his wealth for a very selfish reason: because he learned a long time ago that the very most satisfying thing you can do in life is give to others. "Give 'til it hurts" says Joe, "Then give a little more." Corny?

Perhaps.

But I can show you two men: - one, a Malaysian prince with luxury cars and private jets and yachts, a palace, a cavalcade of courtesans - even a $12 million diamond and ruby encrusted carpet beside his bed... And then I'll show you another man - Joe Segal - with a chequebook full of stubs.

Now you tell me which one is rich and which one is poor.

On the Street

by Times Staff

WIN-FALL

There was more good news for Westside Jug City's Brian Moore last week. The Times featured a story about him last week saluting him for losing 40 pounds and for the donations to the Hospital Foundation which flowed from his weight loss effort. Well, Brian's good fortune continued, up to a point, last week when he purchased a ticket in the latest lottery game, Winner Take All. When he checked his numbers he discovered Wednesday he was indeed a winner of some $46,588. He was so elated by his win that he started running back to the Westside Jug City/Variety Plus office next door when his good fortune momentarily gave out. Brian tripped, fell and broke his arm in four location. Rushed to the hospital by his brother Scott, Brian received treatment at the Minden Hospital then went to Toronto to claim his prize. Thursday he was in Peterborough to have his arm set and returned to Minden sore, but happy. Congratulations Brian and get well soon.

NEW LOCATION

Spring brings with it new beginnings in many things, including business. We see that Country Pickin's , LJ's Fashions, Mama's and Tots and Northern Lights Embroidery have moved to a new location on Haliburton's Highland Street. The businesses now occupy the renovated and expanded building at the west end of the downtown business area. Congratulations to Laurie, Laurie, Connie and Melanie.

NEW NAME

We note as well that the grocery store in Kinmount has joined the Foodtown group of stores. Congratulations to owner/operator Tom Lang on this fresh start for the spring and summer season.

$15,000 worth of goods stolen in Snowdon break-in

On April 25, Police investigated a break and enter at a residence on County Road 121 in Snowdon Township.

The investigation revealed that the residents left the location at approximately 10 a.m. They returned home at 4 p.m. at which time they discovered their residence had been broken into. A total value of $15,000 worth of belongings were taken, including: three mahogany stacking end tables, Bushnell binoculars 7x50 and a Black and Decker drill.

Break-ins

• A 12' aluminum paddleboat was taken April 27 from a Bitter Lake Road residence in Guilford Township.

• April 29, Police investigated a break and enter at a cottage shed located on Grind Stone Lake Road in Haliburton County. The incident had occurred sometime during the winter. Stolen from the location was: a Yamaha Big Bear, 4 wheel drive, 350 cc ATV,; mitre chop saw; trolling motor; and submersible pump.

• April 30, Police investigated a break and enter at a cottage on Concession #8 in Lutterworth Township. The incident had occurred sometime since November 1999. Stolen was a grey tool box, plumbing tools and supplies.

• April 30, Police investigated a break and enter at the Victoria Street School on Victoria Street in Haliburton. The intruders entered through a broken window. No items were taken.

• April 30, Police investigated a break and enter at a cottage on Brady Road in Guilford Township. The incident occurred sometime since October 1999. Stolen was a Watermaster sprinkle timer; Stihl brush saw; AM/FM cassette, portable stereo; telephone; antique round top, long bottom barometer; machete knife; and set of padlock keys.

Six records set at HHSS Track and Field Meet

Haliburton Highlands Secondary School held its Track and Field Meet last Thursday. Six new records were set at the meet. They are highlighted in bold.

Following are the results:

Junior Girls

100 M: First - Keegan McKenzie, 13.68 seconds; second - Jessica Swan, 14.20; third - Katie Cox, 14.30

200 M: First - Keegan McKenzie, 30.54; second - Ebony Scalf, 34.2; third - Katie Cox, 34.3

400 M: First - Lindsay Robertson, 1:11.08; second - Ebony Scalf, 1:20.41

Sprint Hurdles: First - Jessica Swan, 14.86; second - Ebony Scalf, 16.75; third - Katie Cox, 16.97; fourth - Tiffany Howe, 17.7; fifth - Stacey Schell, 17.7

Distance Hurdles: First - Ebony Scalf, 1:03.14; second - Lindsay Robertson, 1:16.12

Long Jump: First - Katie Cox, 4.0 metres; second - Jessica Swan, 3.68; third - Stacey Schell, 3.43

Triple Jump: First - Caley Sisson, 8.4; second - Katie Cox, 8.09; third - Stacey Schell, 7.52

Discus: First - Liane Dron, 31.14; second - Kori Roberts, 24.96; third - Lesley Pearsell, 21.52; fourth - Jen Moore, 17.72

Javelin: First - **Kori Roberts, 30.44**; second - Liane Dron, 22.10; third - Jen Moore, 19.20; fourth - Lesley Pearsell, 17.96

Shot Put: First - Liane Dron, 9.56; second - Kori Roberts, 7.83; third - Lesley Pearsell, 6.85; fourth - Jen Moore, 6.70

Pole Vault: First - **Caley Sisson, 2.40**

Senior Girls

100 M: First - Kate Campbell, 13.0 seconds; second - Amy Brandon, 13.56; third - Jordana Bain, 13.92

RECORD SETTERS: HHSS athletes set six new records at last week's Track and Field Meet in Haliburton. Above, front (l to r) are: Nicole Cooper and Travis Bain. Back (l to r): Caley Sisson and Stephanie Ratz. Kori Roberts was also a record setter. She was unavailable for the photo.

200 M: First - Kate Campbell, 29.70; Second - Jordana Bain, 30.8; Third - Amy Brandon, 30.9;

400 M: First - Kate Campbell, 1:13.2; Second - Jordana Bain, 1:14.9;

800 M: First - Stephanie Ratz, 2:43.9;

1500 M: First - **Stephanie Ratz, 5:40.0**; Second - Katherine Hagerman, 6:17.5;

3000 M: **First - Stephanie Ratz, 12:44**; Second - Katherine Hagerman, 13:50;

Shot Put: First - Nicole Cooper, 8.25 metres; Second - Kristen Sisson, 7.93; Third - Nikki Fomenko, 7.18

Javelin: First - Nicole Cooper, 24.06; second - Kristen Sisson, 18.40; third - Cassie Hie, 19.14

Discus: First - **Nicole Cooper, 31.30**; second - Kristen Sisson, 25.78; third - Nikki Fomenko, 22.60; fourth - Cassie Hie, 19.82

Long Jump: First - Carrie Huck, 3.43

Triple Jump: First - Carrie Huck, 7.63

Sprint Hurdles: First - Lindsey Robertson, 18.6 seconds; second - Cassie Hie, 19.7

Distance Hurdles: First - Kate Campbell, 1:11.5; second - Lindsey Robertson, 1:12.2

Midget Boys

100 M: First - Dylan Powers, 12.22 seconds; second - Justin Walker, 12.5; third - Travis Bain, 12.52; fourth - Josh Wales, 12.75; fifth - Chris Jung, 12.9; sixth - Andre Nichol, 13.55

200 M: First - Justin Walker, 26.34; second - Josh Wales, 28.52; third - Chris Jung, 28.78; fourth - Eric Bell, 29.04; fifth - Andre Nichol, 29.5; sixth - Greg Harrison, 30.0

400 M: First - Josh Wales, 1:09.71; second - Greg Harrison, 1:11.92; third - Dan Schell, 1:11.96; fourth - Andre

15.5 pound lake trout wins derby

Dale Weaver of Coboconk was the winner of the 2000 Minden Live Bait and Tackle Ice Fishing Derby. Weaver weighed in a 15 pound eight ounce lake trout to claim a gas powered ice auger for his effort. The ice fishing derby was held from January 1 to March 31.

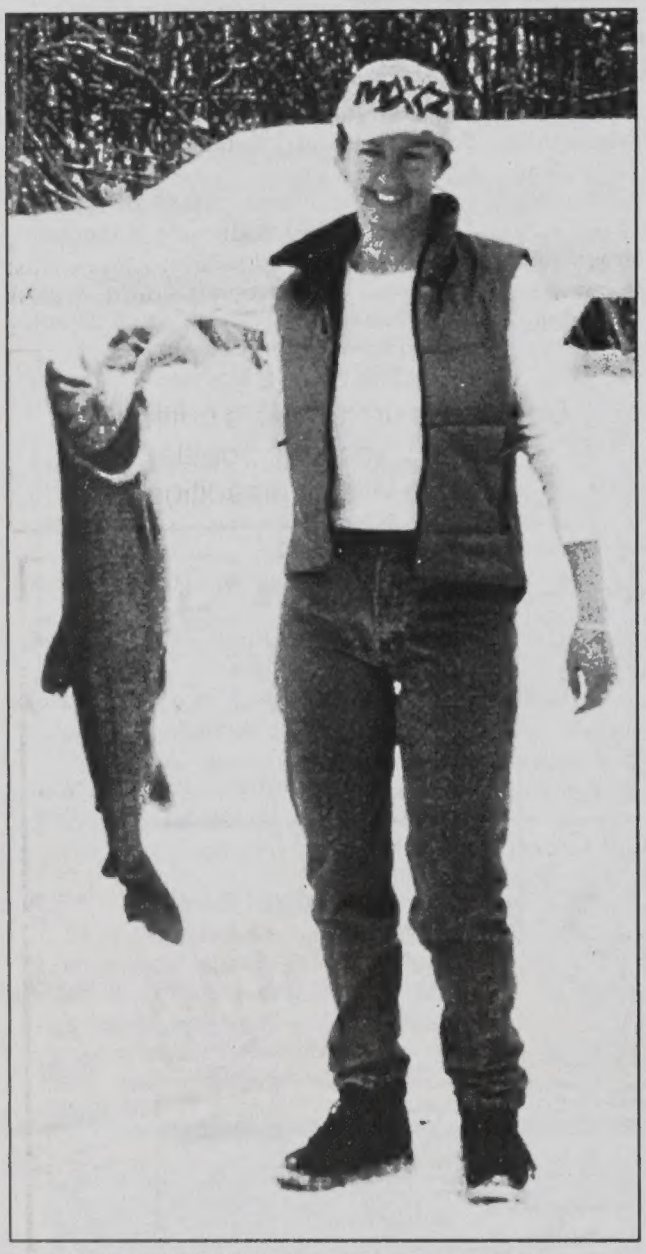
Second place went to Darlene Pettes of Minden, with a 12 pound 10 ounce laker. Her prize was a Fishing Buddy 2 fish finder.

Tom Bagshaw of Minden won a rod and reel as the third place finisher in the derby. He caught an 11 pound 10 ounce fish.

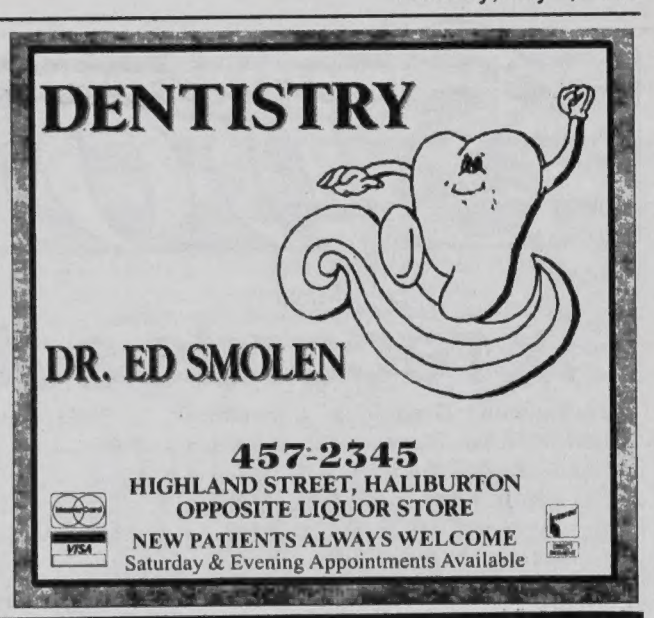
Rounding out the top 10 were: Fourth, Chad Skelding (10 pounds four ounces); fifth, Jim Hicks (9 pounds 15 ounces); sixth, Mike Hamilton (9 pounds 3 ounces); seventh, Peter Mathwich (9 pounds 1 ounce); eighth, Marie Anthony (8 pounds 3 ounces); ninth, Doug Robinson (8 pounds); 10th, Chris Dinwoody (7 pounds 15 ounces).

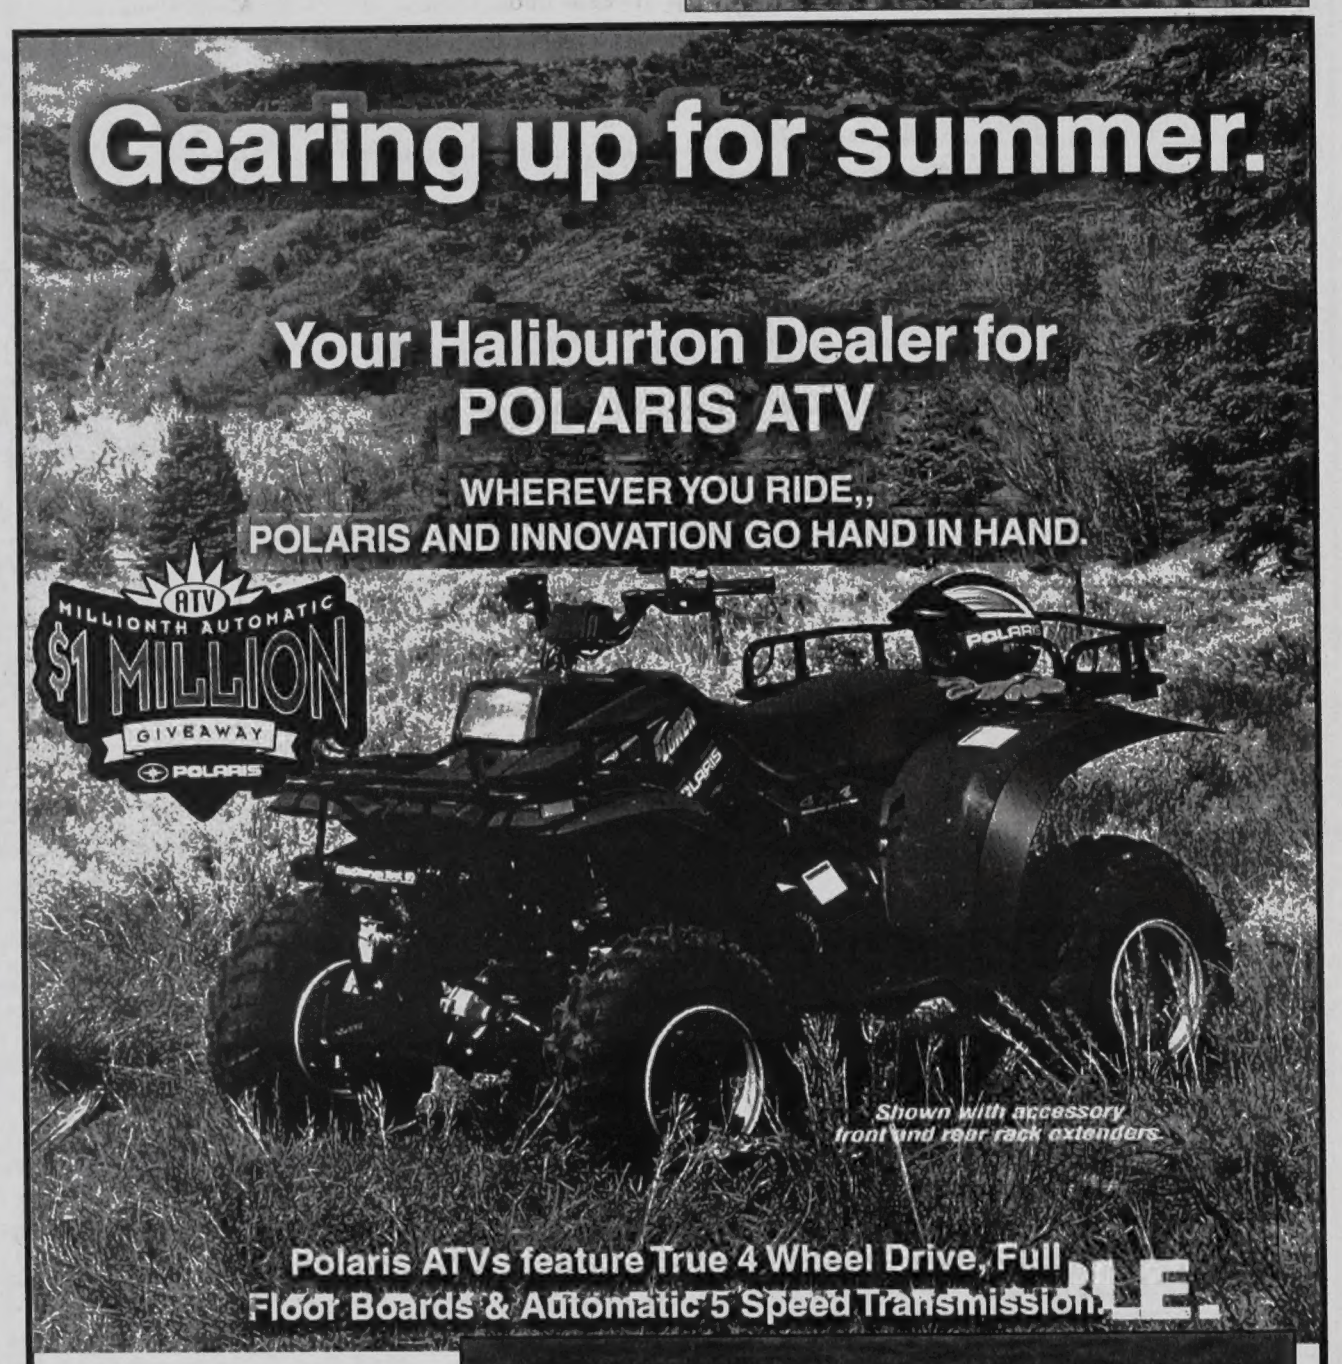
The top 20 anglers received prizes.

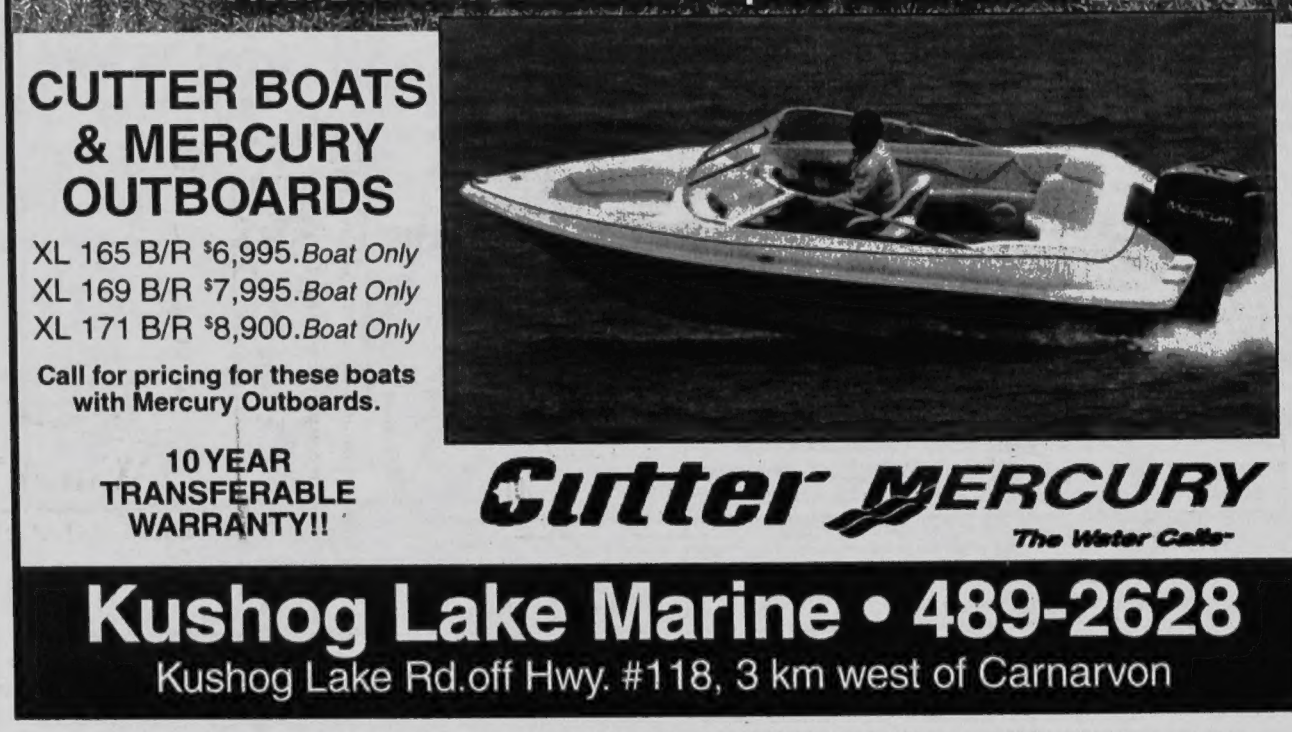
A total of 123 anglers signed up for the derby.



LUNKER LAKER: Darlene Pettes of Minden was the second place winner of the annual Minden Live Bait and Tackle Ice Fishing Derby. Her prize was a Fishing Buddy 2 fish finder. Dale Weaver of Coboconk was the first place winner with a 15 pound eight ounce lake trout.







Stephanie Ratz breaks 1000M and 3000M records

Lawn bowlers ready to get rolling May 15

- submitted -

The Minden Indoor Lawn Bowling Club will be starting the year 2000 season on May 15. The club invites anyone interested in lawn bowling to come to the annual spring meeting/open house, also on May 15. The meeting will be held at the Minden Curling Club at the end of Prentice Street, off Bobcaygeon Road at 7 p.m.

The club will also host open bowling every evening from May 15 to 19 so new bowlers can try the sport and veterans can get back into the routine.

Come and meet the new club members and learn all about lawn bowling.

Another incentive has been added this year for those interested in joining the club, but who may not want to be a member of a team. A second membership for spares is available and if called to replace a team member, a $5 fee will be charged for each game played.

The club has, once again, rented the ice surface area of the curling club. The carpet will be laid on Saturday, May 13, starting at 10 a.m. Anyone who could spare the time to help put the carpet down would be appreciated.

Come on out and join the club and enjoy a gentle, relaxing sport that provides both competition and skill in addition to the friendly atmosphere.

All equipment is supplied. The only requirement is a pair of flat-soled shoes to protect the carpet.

Any further details can be obtained by calling Gerry Ryan at 286-3757.

Stepping out for good health

by Morris Duff, Special to the Times

"Being physically inactive is as bad as smoking a pack of cigarettes a day."

So said Linda Black, area manager for the Heart and Stoke Society who was interviewed at an executive meeting of the Haliburton County Heart and Stroke Foundation.

Sneaker Day, to her, is a way of getting people more physically active, and therefore more healthy."Absolutely," adds Minden's Dr. Bennett Wu, when asked if Sneaker Day is important in promoting good health in the community. "By walking, people can improve circulation and build up valves to the heart...Second, it prevents weight gain, weight gain leads to high cholesterol, diabetes and other illnesses....Third, walking prevents hardening of the arteries. A good supply of blood helps keep the bowel functioning well and so helps prevent constipation....It may even decrease the risk of colon cancer," Dr. Wu added, "although that has not yet been proven."

He also pointed out that walking and being active helps the lungs by preventing the accumulation of phlegm. Dr. Wu was interviewed at the Lion's Medical Centre, where he practises family medicine.

Minden's Sneaker Day is this Friday, May 12. It is a nationally celebrated day for walking promoted by Health Canada. Those interested in taking part should meet at the Gazebo by the bridge over the Gull River. Opening ceremonies will be at 11 a.m. Parties of walkers will set out from there over the next two hours on a 2.75 km trail. The walk is neither competitive nor has anything to do with raising money.

Health leaders in our area are unanimous that more physical activity is necessary for a healthy community."In time of depression, walking is one of the most beneficial things you can do," said Ellen King, counsellor and case manager with the Haliburton Highlands Mental Health Service office in Minden. "Walk, even it's for only 10 minutes a day," she urges."

Walking helps people with diabetes to gain or maintain control of their sugar," says Connie Wood the Registered Nurse at the Haliburton Highlands Health Services Diabetes Education Network. Walking is a good preventative by fighting high cholesterol and high blood pressure, two things that people with diabetes tend to have, she explained.

"Most of our aches and pains come from a part of the body that lacks mobility (through lack of physical activity)," commented Barbara Wright, the physiotherapist in the Of Sound Body Clinic in Minden's downtown. Walking promotes joint mobility.

A person's body, mind and spirit require regular physical activity, said Jacqueline Ziorjen, the massage therapist partner at Of Sound Body. Without it, "the body tends to seize up,"

"Walking increases joint mobility and fights arthritis," said Dr. Suzanne Muha, the chiropractor in the same building. "And it is useful in fighting osteoporosis."

"Walking builds up leg muscles and stomach muscles," she adds. "That is important in preventing lower back pain."

Dr. Muha has some important cautions. "Have good shoes with good support. Have a good stretching warm-up before starting. Have water."

"The Heart and Stroke Foundation shows its support of walking for health by organizing the adult walking clubs in Archie Stouffer Elementary School and Haliburton Highlands Secondary School," commented the local president, Wendy Bateman. They also support the hiking trails in Victoria County. Heart attacks and strokes are increasingly the big killers of women, not breast cancer, said Bateman. "The reason is because women are so physically unfit. Also because more women are smoking."

An active lifestyle counteracts diseases of the heart and lungs, as well as diabetes and oste-

Minden streets are cleaner thanks to Cub Scouts

Wolf cubs, not bears were going through the garbage this past weekend in Minden.

Led by Cub Scout Leaders Don Schlosser and Jamie Hoskins, along with a few parent helpers, the local wolf cub troop performed a valuable community service by picking up trash and debris that had littered areas of Minden's downtown core.

Initially planned as an Earth Day project, the cubs had to postpone the clean-up for the rain date, Sunday, April 30. The event was sponsored by local business and the cubs proudly displayed their sponsors' names around their necks on green placards while out garbage hunting.

"The money that has been raised through sponsorship will help pay for future cub events," said Schlosser. Twenty sponsors donated financial support for the effort which helped clean up Minden's streets. "We'd like to thank all of our sponsors," said Schlosser. "It really helps with the fun and the learning." The cubs worked in four different groups and started collecting garbage at opposite ends of town. Two groups made their way toward the Main Street from opposite sides of Gull River, while the other two started by Sunny's Variety and moved towards the centre of town.

The Cub pack effort was supported by the following local businesses: Rusty's Auto Service and Bell Mobility; Dollo's IGA; Minden Lioness Club; Haliburton Minden Cable TV; Golden Stationery; Minden Home Hardware; Sid Stamp Fuels Ltd.; Minden Auto Parts; McMahon Feeds 'N'Needs; Head Inn; Minden Drug Store; Kitchen & Bath Shoppe; Photo Solutions Image Centre; Mr. D's Donuts; System's Software & Support(Halhinet); Riverview Furniture; The Alternative; Highlands Plumbing; and Li'l Bitza Bargains.

Cub leader Don Schlosser and cub scout Andrew Mann pause while cleaning the streets of Minden. Perhaps we could all take a cue from the cubs and keep the trash in the garbage where it belongs.

Many benefits to staying active

(from page 16)

oporosis, commented Ann Marie Cyr, a nurse working to prevent chronic diseases with the Haliburton, Kawartha, Pine Ridge Health Unit. Minden's Sneaker Day is one of her projects.

"An active life helps people get plenty of oxygen, which improves circulation and helps people get rid of body wastes," she said. "All organs benefit."

The Weight Watchers program "seems to work best if there is some kind of physical activity," said Wendy Bartlett, leader of the groups in Minden and Haliburton. Some people swim or do aerobics, "but most prefer to walk. I try to walk half an hour a day."

Zelda Cooper, a Minden member, said she has lost 54 pounds since last April. She was an active curler, playing two nights a week in winter and walking on the other days. "My asthma is better," she added. Since going on the program she seldom has had to use her inhalers.

Recently I was diagnosed with whiplash, the result of a car accident on Markham Road some years ago. Among the "do's" on my sheet of instructions, "Get regular exercise, such as vigorous walking, biking or swimming." So I plan to be there this Friday to show my support for Sneaker Day and for my own well-being. Come out and join me.

Auctioneer Orval McLean coaxed bids from a capacity crowd at the Galway Hall on April 29. The 6th annual fund-raising event, in support of the Kinmount Austin's Mill restoration project, raised more than $18,000. The event is operated under the auspices of the Kinmount Planning and Economic Development Committee.

Dinner/Auction raises $18,000-plus

The supporters of the Kinmount Austin Mill Project continue to amaze the organizers of the annual dinner and auction fund-raiser. The Galway Hall, south of Kinmount, was packed on Saturday, April 29 for the sixth annual fund-raising event.

The night's agenda featured raffles, silent auction items, a live auction and a loonie draw. When the receipts were tallied after the event, the net profit exceeded $18,000.

Local businesses and individuals donated everything from crafts, original works of art and quilts to trees, loads of gravel and a gas barbecue — hundreds of items in total.

Orval McLean of Lindsay was the auctioneer and Clayton Cameron of Minden was the Master of Ceremonies. Cameron also conducted the loonie draw.

Wind Symphony in concert

An afternoon of delightful music was provided by the Highland Wind Symphony and special guests the Kawartha Wind Symphony at Archie Stouffer Elementary School on Sunday, April 30.

Playing to a packed audience in the gym, the Wind Symphony, led by Conductor Laurie Reddering, opened the program with a set of music that put everyone in a Spring mood. The Highland Wind Symphony played five pieces: "Salute to Big Bands, Loch and Mountain, Gershwin Favorites, Sine Nomine and Herndon Exaltations.

After a short intermission, the Kawartha Wind Symphony from Peterborough took the stage. Led by Conductor Peter Ford, the visiting musicians started their set with a rousing number ironically titled "Finale". They continued with five others, including: Irish Tune/Shepard's Hey, Alleluias, Mr. Lucky, Komm Susser Tod and Light Cavalry.

The two groups then combined their talents for the two final pieces: Sonus Ventorum and La Storia.

Counterfeit money suspected

Police have investigated an incident involving counterfeit money at the Village Court Pharmacy in Haliburton April 27.

An employee advised that a male customer attempted to pass a $5 bill. It appeared to be counterfeit. When confronted, the male offered another genuine bank note and left.

Community businesses are reminded to be aware of possible counterfeit currency, especially with the up coming summer season.

Break-ins

Several break and enters were reported on April 28, at 11 a.m. after the owner of an apartment in Kinmount found the unit entered. Unknown suspect(s) entered the apartment by smashing the window. The suspects removed several pieces of electronic equipment and cash. The total estimated cost is approximately $10 000.

Driver charged

Police investigated an incident on Hunter Creek Road in Lutterworth Township on April 29 at 10 p.m. Officers stopped a car for speeding. As a result Roger James, 39, of Lutterworth Township was arrested and chargeed with impaired operation of a vehicle and operating a vehicle with a blood/alcohol level exceeding the legal limit. He will appear in Minden Court July 7.

A number of RIDE checks were set up recently in locations throughout Haliburton County. As a result three drivers were issued 12 hour license suspensions and had their vehicles towed. The spot checks were located on Highway 503 in Snowdon Township, County Road 121 in Haliburton and Highway 118 near Haliburton.

HALIBURTON HIGHLANDS HEALTH SERVICES
For The Health Of The Highlands

NURSE'S WEEK
May 8th - 14th

The Haliburton Highlands Health Services commend our Registered Practical Nurses and Registered Nurses for the services provided to our communities. Their dedication, skill and professionalism ensure that our patients receive quality services in a caring manner. We appreciate them and what they do to make our facilities places of healing.

During this special week, we wish to take the opportunity to say thanks to all of the Nurses, both in our organization and in the community, who help to make the Haliburton Highlands a great place to live.

Thanks

Around the halls of HHSS...

Penny drive for prizes helps SAC

by Jennifer Minto - Student Intern

Activities at HHSS have definitely quieted down since the recent production of the musical ***Grease***. The hype of the show was indisputably proven to be all that was expected and more. Those who were in the production can certainly say it was an experience to remember and that working with Darryl Dobson was very educational. Now that it is over, we will be catching up on sleep and focusing on school.

This is not to say that the high school is by any means quiet. The students of HHSS were host to a "***Gatorade Video Dance***" which was said to be quite the evening as well. Students who attended the dance in the cafeteria won various prizes from Gatorade, the sponsor of the dance. Also the giant video screens were a spectacle in themselves. Thanks to the SAC once again for the many things that they organize for their student body.

SAC members have also organized a Penny Drive. Students can win sweet prizes and raise money for HHSS as well. The Penny Drive is simple. If you bring in five rolls of pennies, then you are automatically entered into the contest. That is only two dollars and fifty cents, the sort of change to be found behind couch cushions. The Drive takes place during the first two weeks of May and there are so many cool prizes to win: a discman, gift certificates to restaurants and bowling alleys in Haliburton, a Joycam camera and so many more. *Bring in those pennies kids*!

As for the year, it is coming to a close faster than usual. The month of May is upon us and exams are right around the corner. Students are preparing for College and University and getting ready for the event of the year, ***Prom***! The annual dance will take place at the PineStone Resort in Haliburton on May 27. Let's hope it will prove to be a night to remember for all those that are in their final year, as well as those who will be attending for years yet.

Hope to see you all there.

Phone survey results will help with planning

Development Corporation surveying permanent and seasonal residents

Phones are ringing across the county and the province. The calls are being made to learn about the people who live in the Haliburton Highlands and those who vacation here.

The Haliburton County Development Corporation (HCDC), in conjunction with its partners has organized the survey. Among the partners, who are helping to cover the cost of the survery are: Haliburton Highlands Health Services; Haliburton BIA; Haliburton County Home Support Services; County of Haliburton; Human Resources Development Canada; Haliburton Highlands Chamber of Commerce; Pinestone Golf and Conference Resort; Haliburton Rotary Club; Minden Business Association; Durham, Haliburton, Kawartha District Health Council; and Sir Sanford Fleming College. The Development Corporation has contracted Fleming Data Research Institute to conduct telephone surveys of property owners in Haliburton County.

"Everyone is concerned about long term planning," says HCDC Manager Andy Campbell. "This survey will give us the hard statistical data that will back up what we feel."

The survey, entitled the "Haliburton County Research Study" has a separate set of questions for seasonal and Permanent residents. It will help determine priorities involving education and health services for the county.

The results of the survey will be unveiled at the Strategic Planning Forum, July 28, at the Stanhope Community Centre. The forum will be a day long event.

Merger Update #1

Building a better bank for you.

To our valued customers:

In February, we announced that TD Bank and Canada Trust were joining to become *TD Canada Trust*. At that time, I promised to keep you informed as we merge our two organizations. This is the first in a series of updates to tell you about our progress in achieving our goal to build a better bank.

Over the past couple of months we've been working to bring our head office staffs together. As a result of this effort, I'm pleased to say that we have assembled a strong unified team, with representation from both TD Bank and Canada Trust. This new group has now begun to plan the union of our branch, telephone and internet banking services.

Bringing the two organizations together successfully will take some time. I want to reassure all TD Bank and Canada Trust customers that, for now, it is business as usual.

Building *TD Canada Trust*

Our goal is to deliver a comfortable banking experience for all of our customers. To achieve this we are working to make the merger of our two companies as seamless as possible. We expect to start bringing our two branch networks together in Spring, 2001. Before then, we will make no merger-related branch closures at either TD Bank or Canada Trust.

While it is business as usual throughout most of our organization, we have some early opportunities to bring together some of our products and services to better meet the needs of our customers. We will bring our operations together early only where it makes good sense for our customers and where we believe we can deliver on the promise of "better banking".

One of these early opportunities will be the conversion of CT Securities accounts to TD Waterhouse in May, 2000. As a result, customers of CT Securities will gain access to an expanded range of services at the same, or even lower, fees. Each customer of CT Securities will be notified in advance and in writing to inform them about this conversion.

Another early opportunity that comes from combining the resources of TD Bank and Canada Trust, is our first coordinated promotion. Customers can now take advantage of the very popular 3% CashBack Mortgage, at any of our 1,300 branch locations, by telephone or via the Web. This is just the first in a series of exciting programs that will benefit our customers.

Service Improvements

We've already initiated the first stage of our planned program of service improvements. Since February, we have added 350 tellers and increased teller hours in many TD Bank branches. We are progressively increasing teller hours in most of our TD Bank branches as we go forward. At the same time, we are maintaining Canada Trust hours.

Our customers have also had the advantage of improved access to over 3,000 combined ABMs. They have benefited from the elimination of Interac® withdrawal fees when they used one of these ABMs. As a result, we have enabled our customers to make over 1.2 million ABM transactions at no charge since February alone. These important service improvements are the first of many that all customers can come to expect from us as we work to deliver a more comfortable banking experience.

Community

At *TD Canada Trust* we're committed to the communities that we serve. As we've brought our two organizations together, we have carefully maintained our total charitable and sponsorship commitments. Many of these commitments will now be made under either the TD Bank Financial Group or the *TD Canada Trust* name.

We promise to keep you informed about the progress of our new company through updates such as this one as we move forward.

If, as we work towards building a better bank, you believe that we are not meeting your service expectations, please call our Customer Information Centre at 1-888-572-8924.

Sincerely,

Ed Clark

TD Canada Trust

P.S. I will keep you posted about the developments at *TD Canada Trust* in the coming months. For now, it will be business as usual. We will notify you personally, in writing and well in advance, about any merger-related changes to your accounts or to your branch.

TD BANK CanadaTrust

Sir Sanford Fleming College 2% tuition increase

Sir Sanford Fleming College's Board of Governors today approved a two per cent increase in tuition for the 2000-2001 academic year, a $74 increase for full time students for two semesters. Tuition is currently $1683 a year.

In addition to the increase in tuition, the college is increasing its information technology support fee and its student support service fee bringing them to, or slightly above, the average for the college system. Requests, from the student governments at the Frost Campus and the Sutherland Campus, for an increase in student association fees, the first in five years, were also approved. With ancillary fees, the cost of one year at the college will be $2,186 in the upcoming academic year compared to the current $2078.

According to a press release from the college, the tuition increase is needed as operating costs continue to rise, including inflationary costs and the costs of replacing or upgrading technology.

While the college was the beneficiary of a major capital grant under the provincial Superbuild program, operating grants have not kept pace with inflation or enrollment. The Association of Colleges and Applied Arts and Technology of Ontario says that colleges continue to see a long-term decline in per-student funding. "Since 1990-91, colleges have serviced 33 per cent more students with 42 per cent less government funding."

HALIBURTON HIGHLANDS HEALTH SERVICES
For The Health Of The Highlands

Vacancies will soon exist on the Board of Directors of the Haliburton Highlands Health Services. The HHHS has a broad mandate to oversee and develop an integrated health service. It is currently directing the expansion and renovations of facilities and services in the village of Haliburton and Minden.
People interested in Committee work should also apply.

Volunteer interested in the health services of our area should forward a letter, with C.V., by May 24, 2000 to

Betty Moffatt, Chair, Nominating Committee
P.O. Box 115, Haliburton, Ontario K0M 1S0
or fax to 705-457-1071

HALIBURTON HIGHLANDS HEALTH SERVICES
For The Health Of The Highlands

The fourth annual meeting of the Haliburton Highlands Health Services Corporation will be held on Thursday, June 22, 2000 at 5:00 p.m. 2000/2001 membership in the Corporation is available to any individual who has been a resident (including seasonal residents and landowners) or carried on business in the County of Haliburton and the northern townships of Victoria/Peterborough County, for a period of at least twelve months immediately prior to the payment of an annual membership fee of ten dollars. Your 1999/2000 membership will expire at the close of this annual meeting.

Membership in the Corporation entitles an individual to vote at the Annual General Meeting, and to nominate Directors for election to the Board. These nominations must be submitted to the Secretary of the Board at least thirty days before the date of the AGM.

Membership fees may be paid, and a membership card obtained, at the AGM on June 22nd, or at the Haliburton or Minden Hospitals during business hours, or by contacting.

It's her move!

QUEEN TO WESTERN PROVINCE: Grade 6 Gooderham public school student Kelly Dobson will be travelling to the Canadian Youth Chess Championship to be held in Edmonton between July 5-6. Dobson qualified by winning first place in the girls under-12 category in the Ontario Championship which was held in London on April 19.

Checkmate!

Gooderham grade six student Kelly Dobson will be going to the Canadian Youth Chess Championship in Edmonton this July. Dobson won first place in the girls under-12 category in the Ontario Championship, which was held in London, April 29. The Edmonton tournament will take place between July 5-6.

Players from across Ontario had to qualify at regional tournaments, as Kelly did in Lindsay with five of her classmates, to participate in the tournament in London. After five rounds of play in London, Kelly was declared the champion top girl with her three victories.

If she wins in Edmonton, it will be off to the 2000 World Youth Chess-Championship that will be held later this year in Spain.

Kelly has played chess for two years, and credits her father as not only a great teacher but a great chess opponent as well. One of her favorite aspects of chess, is the game itself, plus the excitement of travelling to and from tournaments and meeting new people. "I like the strategy and how the pieces move," she says, adding "The people in London weren't that hard to beat."

Kelly's teacher and part-time coach at Gooderham public school, Blake Paton, hosts the county school tournament each year and allows his students to play chess in math class once a week as a problem-solving excercise. Each year Paton organizes a school Chess Tournament as well. Six students from Gooderham travelled to London to compete, with 35 students taking part in the under-12 category.

Kelly says she enjoys a good challenge and likes the way tournaments offer the unexpected. "It's fun competing against people because you don't know how good they are," says the chess champion.

Haliburton Business is getting connected to the world...

with high-speed wireless Internet access.

What does high-speed Internet connectivity mean for your business? It means having up to 3MB of fully duplexed bandwidth at your fingertips. It means no more waiting for large file transfers between you and your customers. It means you can send and receive large documents in seconds without crippling your networks.

Videoconferencing is a snap with Wavelink's wireless service, keeping you in constant communication with your customers and the rest of your organization **cost effectively.** Bottom line? Wavelink means enhanced productivity for your business giving you a distinct advantage over your competitors.

A.S.E.S. sleeps in late

by A.S.E.S. Press Club: Jennifer Goodwin and Christine Carr

It was a day of late sleepers Friday, April 14. at Archie Stouffer Elementary Schiool.

Teachers and students arrived at school in their pyjamas. Some of the students who wore PJ's added to the day by wearing slippers and bringing in teddy bears.

A few people even went so far as to wear their hair for bed; frizzed, braided, or just plain messed up. There was a variety of house coats and frilly night dresses. The colors went from red, to pink, to blue, to plaid.

The most favorite slippers were bears, dogs, and fluffy cats.

The student council of A.S.E.S. arranged for this pyjama-filled day. Staff and students are looking forward to future days filled with other modes of wacky dress.

TIME TO RETIRE: Students and staff at Archie Stouffer Elementary School wore their pyjamas to school last month for a day. Among the dressed to retire were, in front students Alexa McKinna, Lainey Maine and Tanner Cowan, in the back, EA Wendy Sisson, Teacher pat Burke.

Gym rocking with copy-cat singers

by A.S.E.S. Press Club: Christine Carr and Jennifer Goodwin

On Wednesday, April the 19 and Thursday, April the 20th A.S.E.S. held the annual lip sync contest during the lunch recess break.

The lip syncs took place in the gym and included students that were picked during the auditions scheduled at an earlier date. Each group of students that participated got to perform on the stage.

Students enjoyed both the music and watching their peers dance to the songs. Students stated that they would gladly go again.

Animal Health Week

Think about your pet's well-being

by Dr. N. Wojciechowska, DVM

For many of us, the arrival of the month of May conjures up warm and pleasant imagery. Disregarding the return of the dreaded black fly, we see signs of new life emerging around us - the tulips and crocuses raising their colourful heads from the earthy beds, the tree buds bursting to reveal their green splendour, birds building their nests with enthusiastic song, and bears waking from their winter slumber.

Considering this, there is no better time to celebrate animal health. Officially, Animal Health Week is celebrated nationwide from May 7-13.

The purpose of Animal Health Week is to promote awareness of the role that animals, including pets, livestock and wildlife, play in our lives and our responsibility to them as their guardians.

Many of us are in the position of being pet owners. Pets enrich our lives in a variety of ways, the most important of which are their unconditional love and blind trust. In return for these priceless gifts, there are a few things we can do as dedicated pet owners to ensure their health and well-being.

Owning a pet is a privilege, not a right; with this privilege comes the duty to not only protect one's pet from common communicable diseases, but to protect the health of other animals by having one's pet annually examined and vaccinated by a veterinarian.

As a responsible pet owner one should also take an active role in controlling the pet population by having dogs and cats spayed or neutered at an early age.

Remember to equip your pet with adequate identification so that, in the event they stray from home, they can be returned quickly and safely. Annual visits to the veterinarian are not only encouraged for the sake of vaccinations, but also to ascertain the general health of one's pet.

During these visits, for example, their teeth are examined for evidence of periodontal disease, body weight is assessed to determine whether Fido and Fluffy should go on a diet, and feces are analyzed for evidence of internal parasites.

Veterinarians love animals (surprise, surprise!) and are pleased to address any questions or concerns regarding your pet's health and are more than willing to offer advice or health tips to keep your pet looking and feeling happy and healthy.

In the spirit of Animal Health Week, give your pet the best! As a way of paying homage to our furry and feathered friends, the Minden Animal Clinic is encouraging everyone (young and old) to submit a brief biography or creative anecdote about a beloved pet. Photos are also encouraged. Submissions will be accepted at the Minden Animal Clinic until Friday May 26. For more information, please call the clinic.

Committee of Adjustment for the Township of Lutterworth

NOTICE OF PUBLIC HEARING
RE APPLICATION FOR A MINOR VARIANCE

DATE: Thursday, May 25th, 2000

TIME: 7:00 p.m.

LOCATION: Lutterworth Council Chambers - Highway 35, 3 miles south of Minden

Notice of Herbicide Use

Notice is hereby given that hydro one Forestry Services, formerly (Ontario Hydro Services Company Inc.) will be commencing Forestry line clearing operations in your vicinity. The work will include the selective treatment of undesirable vegetation that would, if left, grow into our power lines.
The work will be completed using a combination of manual cutting, followed by low volume stump spray to prevent regrowth. The same selective application method may be used to control growth of brush up to 1 metre in height. Every effort will be made to leave compatible low growing vegetation where possible.

Location of work: **Monmouth Twp. Including Lots 1 to 19, Concessions 3 to 17.**
Glamorgan Twp. Including Lots 1 to 35, Concessions 2 to 9.
Snowdon Twp. Including Lots 31 to 33, Concessions 5 and 6.

Date of Application: **May 15, 2000 to July 1, 2000.**
Pesticide Trade Name: **Garlon 4**

Registration Number: **21053**

Name of Pest: Undesirable vegetation (brush, tree stumps)

Name of Contact Person: **J. Burk, Forestry Technician**

Phone # of Contact Person: 1-705-457-6831
Toll free calls will be accepted by alternative number; 1-888-871-3490 ext. 347 and forwarded on to the District Forestry Technician.

Slash fire

Minden firefighters were called to the north end of the Woodland Ranch property near Carnarvon April 27 when piles of slash were ignited. Fire chief Bill Hogg said no permit had been issued for the burn, however charges would not be laid because the fire was started without the foreman's approval. The owners were told that any further violations would result in charges. Firemen were on the scene for about three hours bringing the fires under control.

Familiar routines returning

Senior League
by the Roving Reporters

Hello everyone. Time to sit back, put your feet up, grab a cuppa and listen to our news of the past few days.

We begin our news with the loss of Ted Madill who died April 26, in his 91st year. Our condolences to his family and friends. Ted will be missed.

Our first tea party (April 27th) in our new home was a lovely affair.It was also a Birthday Tea for the month of April. Our hosts were the parishioners of Our Lady of Fatima Catholic Church in Minden. It was nice to see so many familiar faces. We were all so fortunate to have Jack and Ruth Worthington here entertaining us while we sipped tea/coffee and enjoyed some lovely goodies. All in all a wonderful afternoon. Our thanks to everyone. The next afternoon the Grandfathers were here for Happy Hour, another first in our new surroundings. It was good to have them visiting with us and providing great music. Our thanks to them also.

Over the weekend we had some visitors in, had our nails prettied, enjoyed some ice cream, spent money on the treat-wagon, enjoyed the Norland Hillbillys for some great foot stompin music. A good weekend.

Nellie Ranson (one of our reporters) told us of her granddaughter Lisa's wedding down in Nova Scotia. Lisa is now an Andrews. Nellie was telling us that Lisa used to work for Dr. Purc before she moved to Nova Scotia. Anyway, over the weekend there was a reception for the newly married couple, at the Minden Arena. Many attended to wish the couple all the best.

There was some sad news though, as Lisa's other grandmother, Mrs. Marion Bates passed away recently. Mrs. Bates was the mother of Marilyn Ranson (a staff member here). We wish to convey our sympathy to Marilyn and her family.

Our weekend began with some more sad news. Muriel Harrison died suddenly on Monday, May 1, in her 93rd year. Muriel was one of the Roving Reporters from the very beginning and will be sorely missed by us. Muriel liked to keep busy and enjoyed most activities. Our sympathy goes to her family and friends.

We have now lost two members of the Roving Reporters and both very recently, Walter Stevens and Muriel Harrison. Our group now consists of Lola Prentice, Nellie Ranson and Vera Stevens. Vera Stevens has told us that Kelly Harpley (casual staff member) is going to finish the rug hooking that Walter had begun recently. We are so pleased that the last project of Walter's will be finished. It is of a Scottish Piper and will be raffled at a later date. We send our thanks to Kelly for her generosity.

Reverend Wicks joined us Tuesday, May 2, for our weekly chapel service. We look forward to our chapel services and appreciate the clergy who participate in the program.

Last night the Norland Hillbillys were here for Pub Night. Also joining us were Pearl Cowen and Joan Kernohan, our trusty volunteers. We had a great evening: thanks.

Today we look forward to having the Minden Legion here for our tea party. It is good to get back to the regular events again. Tomorrow a countryside drive has been planned. This will be our first excursion in the spring weather.

Just a few more messages to pass on. Two ladies are celebrating birthdays soon: Alice Rivers and Beatrice Brittain, both have a birthday on May 21. Enjoy your special day ladies.

We said goodbye to Eunice Moore who has returned home. We hope she enjoyed her brief stay with us.

Our newest resident to welcome is Evelyn Henderson and here on respite care is Ed McKelvey.

Guess that's it. Don't forget your mother on Mother's Day, May 14. Time to pamper her. In the meantime, get out and enjoy this wonderful spring weather. It is definitely spring as we hear the mosquitoes and blackflies have emerged. Guess you'll have to dodge those pesky critters. Anyway we're sure you can still enjoy this lovely season. Talk with you next week. Take care.

In life, as in finances, there's a lot to be said for clarity.

How can we clarify your finances?

Committee of Adjustment for the Township of Lutterworth

NOTICE OF PUBLIC HEARING
RE APPLICATION FOR A MINOR VARIANCE

DATE: Thursday, May 25th, 2000

TIME: 7:00 p.m.

LOCATION: Lutterworth Council Chambers - Highway 35, 3 miles south of Minden

FILE: A-2/00

PURPOSE AND EFFECT: Relief is requested from Section 5.4.6.2(b) of By-law # 4-81, as amended, to allow lot frontage to be 75.2 feet and from Section 4.6.2(a) to allow lot area to be 21,213.72 square feet. Granting of this Minor Variance would fulfil a Condition of Consent #H-696/99.

SUBJECT LAND: Concession 1, Part Lot 23, Plan 379, Lots 40 and 19R-4788 Part 5, located on the west shore of Spar Lake.

ADDITIONAL INFORMATION: is available to the public for inspection at the Lutterworth Municipal Office during regular office hours.

DATED: this 8th day of May, 2000.

(Ms.) Mary Jane Irwin, A.M.C.T.
Township Of Lutterworth

Minden, Ontario K0M 2K0

Committee of Adjustment for the Township of Lutterworth

NOTICE OF PUBLIC HEARING
RE APPLICATION FOR A MINOR VARIANCE

DATE: Thursday, May 25th, 2000

TIME: 7:00 p.m.

LOCATION: Lutterworth Council Chambers - Highway 35, 3 miles south of Minden

FILE: A-1/2000

PURPOSE AND EFFECT: Relief is requested from Section 4.6.4.24 of By-law # 4-81, as amended, to allow buildings and structures to be 20 metres from the existing high water mark.

SUBJECT LAND: Concession 7, Part Lot 16, Plan 19R-6217, Part 1 located on the southeastern shore of Gull Lake at Miners Bay.

ADDITIONAL INFORMATION: is available to the public for inspection at the Lutterworth Municipal Office during regular office hours.

DATED: this 8th day of May, 2000.

(Ms.) Mary Jane Irwin, A.M.C.T.
Township Of Lutterworth
P.O. Box 850
Minden, Ontario K0M 2K0

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTICE OF PASSING OF A ZONING BY-LAW

TAKE NOTICE that the Council of the Corporation of the Township of Lutterworth passed By-law No. 13-2000 on the 27th day of April, 2000, under Section 34 of the Planning Act, R.S.O. 1990, c.P.13, as amended.

THE PURPOSE of By-law No. 13-2000 is to amend By-law No. 4-81, the comprehensive Zoning By-law, as otherwise amended, of the Corporation of the Township of Lutterworth. The amending By-law serves to rezone a parcel of land within the Shoreline Residential Type One Exception Two (SR1-2) Zone.

THE EFFECT of By-law No. 13-2000 is to rezone the lands in question, namely Parts 1, 2 and 6 Plan No. 19R-6771, from the Rural (RU) Zone and the Shoreline Residential Type Two (SR2) Zone to the Shoreline Residential Type One Exception Two (SR1-2) Zone whereunder the minimum lot area and frontage requirements for a residential dwelling are 1.5 hectares (i.e. 3.7 acres) and 120 metres (i.e. 393 feet) respectively. The rezoning of the lands within the Shoreline Residential Type One Exception Two (SR1-2) Zone will provide for the division of a parcel of land by consent to land severance to create one additional lot to be developed for residential purposes.

THE LANDS AFFECTED by By-law No. 13-2000 are located adjacent the southerly shoreline of Gull Lake in part of Lot 19, Concession 7, of the Township of Lutterworth and are legally described as Parts 1, 2 and 6 of Plan 19R-6771. The subject lands have an area of approximately 1.54 hectares (i.e. 3.8 acres).

AND FURTHER TAKE NOTICE that any person or agency may appeal to the Ontario Municipal board in respect of the By-law by filing with the Clerk of the Corporation of the Township of Lutterworth not later than the 29th day of May, 2000, a notice of appeal setting out the objection to the By-law and the reasons in support of the objection, accompanied by the fee prescribed under the Ontario Municipal Board Act.

Only individuals, corporations and public bodies may appeal a zoning by-law to the Ontario Municipal Board. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or the group.

The lands affected by the proposed amendment are the subject of an application for a consent to land severance (i.e. H-668-99) previously granted by the County of Haliburton Land Division Committee on September 13, 1999. The decision of the Land Division Committee is conditional upon the zoning of the lands within an appropriate zone classification under By-law No. 4-81.

Dated at the Corporation of the Township of Lutterworth this 8th day of May, 2000.

(Ms.) Mary Jane Irwin, Clerk
Corporation of the Township of Lutterworth
P.O. Box 850,
Minden, Ontario K0M 2K0

Around the County Town

by Nora Snyder (call 286-4450: email <mindenhouse@on.aibn.com>)

I have found out in my travels this past week that I am not the only one with my symptoms.

There really isn't comfort in numbers in this situation because it is something you have to suffer alone!! People phoning in their scores commented that I still sounded under the weather, I decided it was time to get some medical help. Now I have it, so hopefully when you call this week I will be back to normal. I want to feel energized and excited about spring being here, getting the gardens ready, the property spruced up and not feel so draggy and lethargic and sore. I don't get sick very often but when I do, everyone knows about it!! I show it in every fibre of my being!!

Needless to say I still don't have the energy to write much. Enthusiasm for life is obviously a prerequisite to writing about a County Town.

I see a lot of you out doing your thing. Gardens and lawns are being raked; our streets seem to being cleaned though they haven't come down mine yet!!; some street repairs going on, which is a positive sign; the sewers being cleaned out; spring cleaning all over town. All this effort does make us citizens feel like we are being well serviced!! I love when we are putting our best foot forward!! We deserve to be treated well and to treat ourselves well!!

In that vein, I found the article about the Chamber of Commerce and the question, *'Do we need an attitude adjustment?'* interesting in last week's *newspaper*. Yes, I think we do need an adjustment. I agree we need to support who is already here. We need a positive, vibrant, alive community, serving our needs, welcoming new ideas; welcoming, period!!; so we can feel good about where we live and feel supported as we offer our talents to our community. Success is not only assessed by financial success but also by how healthy is our living environment.

There are so many wonderful people here. There is so much natural beauty. We have so much to offer. We know who we are. Lets go for it!!!

There is one thing that I did do last week, and that was to visit 'Memories Etc.' for lunch with a friend. We sat upstairs looking down Main St., the best view in the house. Great lunch! Great surroundings! I wish Carol and Chris every success!! A great asset for Minden; good quality being offered and also steeped in our past!!

Well I found some energy!! Get me onto my hometown and I'm off!!

* * *

On Saturday, May 20, the Lochlin United Church is holding a Yard/Book/Bake Sale at the Lochlin Community Centre between 9 a.m. and 1 p.m. The Community Centre is on County Road One in Lochlin. If you want to rent a table for $8 or donate items, please call 286-1765.

* * *

An item from Carnarvon:

The Sunshine Sisters enjoyed their Spring Pot Luck supper April 19 with 28 Sisters attending.

The desserts were mouth watering as were the casseroles and salads.

The usual entertainment was the Silent Auction and a very generous Sister donated a basket of hand crafted bunnies which were sold quickly. Thank you Shirley Hanes. Our Christmas Pot Luck is November 15, when we will be surprised finding out who our 2000 Sunshine Sister was. 'Til then, have a great summer.

* * *

I said I was going to write about my connection with Shirley Warder this week, but I haven't been able to get it all together; so, next week!!

* * *

Have a good one !!

SCORING NEWS

Thursday, April 26: Euchre at the Minden Legion: Marie Dennie and Marg McAfee (yeah!) won most lone hands. Iris Taylor and Norm Lee won the high scores and Carol Hill and Lois Adamson won the lows. Other prizes were won by John Mallon, Jean Scadden and Helen Skelding.

* * *

Friday, April 27: Duplicate Bridge at Echo Hills: Playing the Mitchell method, Judy Neimann and Maria Lehoczky were first with an amazing 66%. Reet Murray and Mike Collins were second with 62% and Vange and Jack Croucher were third with 56%.

* * *

Monday, May 1: Cribbage at the Minden Legion: Esther Lee and Kim McCabe were the two top scorers. Roy McDonald, Elva Paisley and Kim McCabe won the draws.

* * *

The Friendship Club at St. Paul's had a wonderful turnout for their afternoon of Euchre. The best ever!!! Verna McDonald won the 50/50 draw. There was a tie for lone hands, taken by Norm Lee and Iris Taylor. High 'man' was Pat Millard and high woman was Barbara Braithwaite. Kevin Maloney found the hidden score. Esther Lee and Jack Chilton were the low woman and man.

* * *

The Kinmount Senior's Bid Euchre saw Vic Ballik come first and Kit Schroter second. Gladys Bowman won the draw and Dorothy McElwain won the only moonshot.

* * *

In the evening, playing Euchre at Club 35, Alf Whyman won the 50/50 draw. Jean Dutka won lone hands. Pearl Kernohan and Stan Walters were the high scorers and Hilda Murrell and Harry Randell were the lows. Marion Farr took home the baloney.

* * *

Tuesday, May 2: Senior's Bid Euchre at the Minden Legion: The high scorers were Marcel Roussel, Gala Stamp, Elva Paisley. Ann Baker and Jean Scadden. The hidden score was found by Sharon Evans. Esther Lee, Pat Roussel, Len Kroes, Bess Cox and Kevin Maloney each won a moonshot.

* * *

Stanhope Bridge: One small slam was bid and made by Jack Croucher and Diane Boll. Muriel McIntosh topped the day with a score of 7780. Ross Fletcher was second with 6860; Diane Boll, third with 6970; and Betty Culley with 4830. The special award is an interesting one this week. It is the B.W.A.V. Award: Back With a Vangence!! Very clever!!

* * *

At Lochlin in the evening. Reta Crofts won lone hands. Harold Harvie and Don Curry were the high and low for the men and May Hicks and Emily Harvie were the same for the women. Dorothy McElwain won the 50/50 draw.

* * *

Wednesday, May 3: Duplicate Bridge at Parklane. In North/South, Ross Fletcher and Muriel McIntosh were the resounding first place winners with 67%. Nick Lehoczky and Mike Collins were second with 55%. In East/West, Jack and Vange Croucher were first with 63% and Norma Crewson and Joyce Burch were second with 58%.

* * *

Bid Euchre at Stanhope in the evening. Lots of moonshots!!! They went to Sharon Evans, Bill Milford, Muriel Harrington, Margaret Fletcher, Rob Evans, Gloria Moore and Stan Dutka. The high scores were taken by: Len Kroes 276; Trudy Kroes 277; Jean Scadden 278; Marion Farr 281; and Dorothy Walters 282. Couldn't be any closer than that!!

* * *

Wishing you another good week!!

Cottage Lots For Sale

Brady and Billings Lakes

The **Ministry of Natural Resources (MNR)** is offering for sale two vacant waterfront cottage lots in the **Haliburton Highlands** tourist region of southern Ontario.

The lots are located on Brady and Billings lakes which are 25 kilometers northwest and 45 kilometres east, respectively, of Minden.

The legal descriptions and asking prices of the 2 lots are:

- **Lot 5, Registered Plan 383, Hindon Township on Brady Lake $36,900.00**
- **Lot 10, Registered Plan 471, Glamorgan Township on Billings Lake $46,900.00**

All offers to purchase must be in the prescribed form and must be accompanied by a deposit (10% of the purchase price offered) in the form of a certified cheque or money order made payable to the Minister of Finance.

The highest, lowest, or any offer received may not necessarily be accepted.

For further information, or to obtain an information package and *Offer to Purchase* forms, please contact:

CARDS OF THANKS

The family of the late Oswald Snell would like to thank everyone who gave us their support at a very emotional time in our lives. We will be a long time getting over this terrible loss. Oswald was a man of few words who gave to others without hesitation and never expected anything in return. We will truly miss his devoted love and generosity. We would like to thank all who gave flowers, memorial donations, cards, food, visits, phone calls and especially hugs. Thanks to Neil Walker for a long journey to be with his Mom over this tough time. Thanks to the U.C.W. ladies for a beautiful luncheon, Reverend Peter Walford-Davis for his words of comfort and choice of poems. Barry Cray and all the staff at Gordon A. Monk Funeral Services for the burden they lifted off each and every one of us with their guidance. Gordon Monk for a very sincere eulogy. Oswald would be glad knowing you spoke of him as a true friend. Special thanks to Oswald's six nephews, Mark and Jamie Walker, Micheal Brohart, Leslie, Ralph Jr and Larry Hutchinson who were the pallbearers. Thanks to all our families for your closeness, thoughts, prayers and company. Keep Os's memory in your hearts.

Maxine Snell & Family.

Thanks to all my friends, relatives and fellow Hydro workers (past and present) for the retirement party and gifts on April 28. It was very much appreciated.

Fred Balcombe
Ontario Hydro (Ret.)

A very warm thank you to Ken and Shirley Wallace who assisted with putting tables in place for the April 19 Sunshine Sisters spring gathering. Too numerous to mention are the sisters who stayed and helped with the clean-up. Thank you all for great food; donations and fellowship.

AT REST

HARRISON
Dorothy

Suddenly, in Scarborough on Wednesday, April 26, 2000, Dorothy Harrison in her 80th year. Beloved wife of the late Walter and adored mother of Madeline Elgie and her spouse Pierre Grandmont. In accordance with Dorothy's wishes, there will be no service. Memorial donations may be made to the Royal Canadian Legion, Branch 636, Minden Extension Fund.

"Loved Forever and always in Life and in Death"

WILSON
Mary Gladys

Peacefully, at home with her family present, Wednesday, May 3, 2000 in her 59th year. Mary Gladys Cooper, beloved wife of Ken Wilson of Port Hope. Loving daughter of James and Doris Cooper. Dear mother of Shelley, Dean and Steven. Mother-in-law of John, Sherri and Tara. Loving grandmother of Alicia. Dear sister of Lynda and Jack Brohm, Terry and Garry Lonsberry, Judy and Neil McKenna and Wanda and Dan Girard. Sister-in-law of Suzanne Speckert and Lorraine and Bill Campbell. Mary will be missed by her many nieces and nephews. Friends were invited to call at the Ross Funeral Chapel, 135 Walton St., Port Hope, Sunday from 2-4 and 7-9 p.m. Service will be held at St. Paul's Anglican Church, Perrytown, Monday, May 8th at 11 a.m. Memorial donations to St. Paul's Anglican Church Perrytown or the Canadian Cancer Society would be appreciated.

AT REST

FAULKNER
Frank Moorehead

Passed away peacefully at the Haliburton Hospital on Friday, May 5, 2000, in his 91st year. (Member of the Mount Dennis Lodge, Toronto, North Entrance Lodge, Haliburton, Shekinah Royal Arch Chapter, Geoffrey de St. Aldemar Preceptory, Algonquin Shrine Club.) Loving husband of the late Florence Eliza Home. Fondly remembered by Kay and her husband, the late Alfred Home, Jim and Joanne Home and the family, Lynn and Paul Dennis and family, Maude and Bert Agnew, Emma and Don Faulkner. The family would like to thank Dr. Robert Heyes, The Haliburton Access Centre and the homemakers for all their care and support. Friends are invited to visit the family at the Gordon A. Monk Funeral Home, 127 Main Street, Minden, K0M 2K0 (1-888-588-5777) from 7 to 9 p.m. on Monday, May 8. Funeral service in the Chapel on Tuesday, May 9, 2000 at 11 a.m. Interment to follow at the Evergreen Cemetery, Haliburton. Memorial donations to the Haliburton Highlands Health Services Foundation (HHHSF) would be appreciated by the family. Masonic Service at the Funeral Home on Monday at 8 p.m.

IN MEMORIAM

COX, Fred - In loving memory of a dear husband and father who was taken from us May 6, 1999.
Loving and kind in all his ways,
Upright and just to the end of his days,
Sincere and kind in heart and mind
What beautiful memories he left behind.
Lovingly remembered
and never forgotten
Bess, Lesley and Robert

Mother's Day
In loving memory of
Blanche Phillip Nesbitt
October 16, 1993
Keep her Jesus in thy keeping
Until we reach that Golden Shore
Then dear Saviour
Let me have her
And love her as we did before.
Sadly missed by her
Sons, Daughters and Grandchildren.
